SENIOR PRODUCT MANAGER · MICROSOFT

Tina Chen

Senior Product Manager at Microsoft, building AI and SharePoint authoring experiences. Product is my craft. Helping people grow is my through-line.

LinkedIn: linkedin.com/in/tina-chen-microsoft/ | Mentorship: adplist.org/mentors/tina-chen-yQpa

Different chapters. A connected perspective.

Product, ecosystems and strategy, across the Bay Area and Shanghai.

Microsoft

Jun 2024 – Present · Suzhou · Hybrid

Senior Product Manager · ODSP SharePoint Experiences

Building SharePoint authoring and content experiences at Microsoft, with work spanning AI-assisted knowledge, page creation, accessibility and visual expression.

- Selected work: FAQ Web Part, Page Agent, Accessibility Assistant, Editorial Card, Template Gallery and Hero Carousel.
- Also serves as Greater China Region WAM Ambassador Program Lead; hosted FY25 STCA Kickoff and 2025 Microsoft Culture Day.

Microsoft

Aug 2021 – Jun 2024 · Shanghai

Product Manager 2 · Windows

Test Base for Microsoft 365 (Aug 2021–Apr 2024), followed by Windows FUN (Apr–Jun 2024).

- Worked across app validation, Windows/Azure, enterprise LOB and developer experience; spoke at CAB and Technical Takeoff.
- M365 Copilot Champ and GCR Career Broadway v-team member and host; the 2024 recap records leading the Test Base EOL announcement.

Cisco

Jul 2019 – Aug 2021 · Shanghai

Product Management Analyst

DevNet Product Management & Strategic Alignment within the Strategy, Incubation and Applications organisation.

- 2020 CRDC Annual Award 'Best New Hire'.
- Co-led CRDC NetAcad Connect, connecting technical volunteers, learning resources and university students.

Cisco

Aug 2018 – Jul 2019 · San Francisco Bay Area

Product Marketing and Business Development

Redesigned Partner Ecosystem Marketplace onboarding, catalogue and segmentation with UI/UX, business units and partners.

- Created SolutionsPlus business reports and Power BI/Tableau partner and event dashboards.

Roland Berger

Market analysis and desk research on offline experience centres and O2O opportunities for a TMT client.

Amazon Web Services

Feb 2017 – Jun 2017 · Beijing

Product Business Development Intern

Product business development internship.

Apple

Apr 2016 – Jul 2016 · Beijing

Business Planning Intern · Open Telecom, Greater China

Business planning internship with Open Telecom, Greater China.

On stage. In the conversation.

Sharing product practice. Asking better questions. Making room for other voices.

2026 Invited speaker	**TiD Quality Competitiveness Conference · Beijing**	A PM's guide to evaluating AI products: real scenarios, golden test cases, human judgment and continuous EVAL.
2025 Roundtable panellist	**The HERgorithm · TiD × She Rewires**	A roundtable on product storytelling, imagination and women's role in technology in the generative AI era.
2025 Panel moderator	**LeanIn Impact of Women in the Workplace Forum**	Moderated a panel supporting dialogue on women's career growth and diverse perspectives.
2023 Speaker & live demo	**Microsoft Technical Takeoff · Windows + Intune**	Windows 11 migration and app validation made easy with Test Base, including Intune apps and policies on test VMs.
2023 Customer advisory board speaker	**Microsoft 365 Customer Advisory Board**	Presented Test Base, app validation and Windows 11 migration to strategic customers, and discussed their deployment needs.
2024–2025 Public product demos	**SharePoint product & community demos**	Demos spanning templates, FAQ, accessibility, Editorial Card, Hero, site branding and Rewrite.
2026 Customer & MVP engagement · not a speaking claim	**Microsoft 365 Conference · Orlando**	First M365Conf attendance, connecting with customers, MVPs and US colleagues about the SharePoint features I worked on.

ALSO, YOUR HOST

Connecting the room.

From internal kickoffs to community conversations.

FY25 STCA Kickoff	Event host · MC
2025 Microsoft Culture Day	Event host · MC
Microsoft GCR Career Broadway	v-team member & event host
London Business School · 9 events	Event organisation · not a host claim

A career grows. So does the circle.

Passing forward the guidance I've received, one conversation at a time.
